

Newark NJ Broadside  
March, 1981

Mr. Abdul Wali Minister of Science other words Iman:

Lecture

Believes all nationalities can come together and be educated how to live together in Newark, first.

The teachers who will educate the people how to live together lives in Walsh Bishop home and also the councilman from City Hall of Newark will be there. We are having a fund raising disco to raise a \$100,000 to build a school here in Newark. All those who give us support will have a lifetime job.

FUND RAISING DISCO

Also fund raising disco at the Zanzibar Bar at the Lincoln Hotel. Please contact me for the date of the disco at this address:
